"This course in colour analysis is one of the best investments I made! Aileen Lane, my instructor is a true professional dedicated to help others succeed. Her classes are small and are filled with many practical sessions, making the training fun and easy to absorb. She is also patient and very encouraging. Throughout the interactions with her, I find her to be a warm and sincere person, always sharing her expertise with her students. I am very thankful to have her as my mentor. Thank you Aileen for your great guidance."
